

New York State Assembly Citation

Whereas, the Cross Cultural Internship Program works with students from universities in Hong Kong, Singapore, Mainland China and Macau to connect them to unique internship opportunities in New York City; and

Whereas, the Cross Cultural Internship Program is committed to building relationships between Eastern and Western cultures based on mutual understanding and appreciation; and

Whereas, the Cross Cultural Internship Program teaches students to develop group work skills, a strong work ethic, and a manner of professionalism; and

Whereas, the Cross Cultural Internship Program for the last three years has prepared students through practice and education for rigorous professional environments; and

Whereas, the Cross Cultural Internship Program sets an example for rewarding success by providing the STAR award to a student who embodies and strengthens the vision of the internship program through achievement in the workforce; and

Whereas, the Cross Cultural Internship Program has demonstrated the far-reaching effects of its work in providing over three hundred students from nine different Asian Universities with an enriching work environment; now therefore, be it

RESOLVED, that as duly elected Members of the State Assembly of New York, we recognize that the

Cross Cultural Internship Program

Is an exceptional program worthy of the esteem of both the community and the great State of New York.
