Ms. Elizabeth Kay
Cross Cultural Internship Program
45 Main St., Suite 212
Brooklyn, NY 11201

August 16, 2011

Dear Ms. Kay,

I want to congratulate the 2011 Cross Cultural Internship Program on the occasion of the Closing and Appreciation Ceremony. The CCIP offers students and businesses a window into a global perspective via East-West cultural exchange.

The CCIP is a gateway program for Asian students to bring positive influences to American society, stimulating the flow of new ideas and offering a fresh perspective. The United States companies offer guidance, resources and support to these hardworking students as they prepare themselves for the global economy. Established in 2008, CCIP has served more than 300 students from 10 universities in Asia. The program emphasizes the importance of practical and cultural experience, and encourages students to make the most of their experience through teamwork, positive thinking and cultural sensitivity.

I wish you continued success for many years to come.

Sincerely,
