Dear Ms. Kay:

I am pleased to extend my congratulations to the Cross Cultural Internship Program ("CCIP") on another successful year.

Since its inception in 2003, CCIP has provided the first cultural exchange program for students from the Asia Pacific region. The internship program has allowed CCIP to connect, enrich and empower the global community one person at a time. We have witnessed this first hand in our office with the summer interns that we received in our collaboration with your initiative.

I would like to extend my heartfelt thanks to the Cross Cultural Internship Program for all the great work that you do and wish you continued success in the future.

Very truly yours,

Rory I. Lancman
