

CITY OF NEW YORK

OFFICE OF THE COMPTROLLER

COMMENDATION

PRESENTED TO

FUSIA COMMUNICATIONS

For years of dedicated work to facilitate intercultural exchanges across New York City; for its commitment to expanding opportunities for young professionals through the Cross Cultural Internship Program; for helping students develop vital leadership and communication skills; for its steadfast efforts to foster relationships between local and international businesses; for giving business owners the tools and connections to thrive in a global marketplace; and for its tremendous contributions to the City of New York.
