

CITY OF NEW YORK

OFFICE OF THE COMPTROLLER

COMMENDATION

PRESENTED TO

FUSIA COMMUNICATIONS 10TH ANNIVERSARY

For years of dedicated work to facilitate intercultural exchanges in New York City; for expanding opportunities for professionals through networking and promotional programs; for serving as a cultural gateway and connecting organizations to the global community; for organizing the Cross Cultural Internship, fostering an understanding of American culture for young professionals; for providing an opportunity for students to develop critical communication and leadership skills; and for its tremendous contributions to the City of New York.
