

New York State Assembly

Citation

- Whereas,** many organizations have both a deep understanding and wealth of experience working in communities throughout the State of New York; and
- Whereas,** it is appropriate to recognize outstanding organizations for their particular contributions that strengthen the fabric of our communities; and
- Whereas,** The Cross Cultural Internship Program (CCIP) is an Exchange Visitor Internship Program run by FUSIA Communications; and
- Whereas,** The Cross Cultural Internship Program (CCIP) is a social enterprise internship program dedicated to fostering mutually beneficial East-West cultural exchange by promoting understanding between young citizens of Asia and the Pacific region and their American peers; and
- Whereas,** The Cross Cultural Internship Program (CCIP) has provided opportunities to improve interns' knowledge of American techniques, methodologies, and technology, and increase their understanding of American workplaces; and
- Whereas,** Since 2008, the Cross Cultural Internship Program (CCIP) has provided cultural exchange internship opportunities to over 1,000 foreign interns, while offering US internship hosts the chance to connect with international visitors and stay abreast of trends in the global marketplace;
- Whereas,** the program supports mutual understanding and peaceful international relations when foreign interns return to their countries to share what they have learned and experienced; and
- Whereas,** The Cross Cultural Internship Program (CCIP) is committed to empowering international-minded future global leaders and the New York community and government; now therefore be it
- Resolved,** that as a duly elected Member of the State Assembly of New York, I congratulate:

The Cross Cultural Internship Program (CCIP)

as an outstanding organization that is truly deserving of the esteem of both its community and this great state on the occasion of its 10th anniversary celebration.
