## The Cross Cultural Internship Program

in grateful recognition of

the program's 11 years of promoting international cultural exchange and relations. During this its 11th anniversary year, The Cross Cultural Internship Program is hosting 75 students from the program's partner universities in Asia. The program offers students structured and guided work-based experience as part of a goodwill cultural exchange initiative. On behalf of the nearly 2.4 million residents of Queens, "The World's Borough," we welcome the 75 students to Queens and congratulate and thank The Cross Cultural Internship Program for its great work to promote the international exchange of ideas and culture.

Presented on the occasion of the 2019 Cross Cultural Internship Program's Recognition Ceremony.
