The Cross Cultural Internship Program
55 Washington St., Suite 628
New York, NY 11201

Dear Friends:

A warm welcome to everyone who has gathered for the Cross Cultural Internship Program's 2019 Recognition Ceremony and 11th Anniversary Celebration. Your participation this evening not only salutes the exceptional individuals being honored this year, but also helps to further CCIP's crucial mission. I am delighted to be part of this special occasion and to join you in recognizing their achievements.

Since its founding in 2008, CCIP has served as a stepping-stone for exchange interns seeking practical and professional experiences, while gaining insight into American culture, values, and business. Its globally sophisticated students are offered unique opportunities that prepare them for today's competitive economy. By providing multiple settings and situations in which exchange interns can participate, CCIP helps interns gain leadership skills and encourages them to immerse themselves in American society. CCIP's students use the insight they acquire to succeed in our globalized business world. I commend these extraordinary efforts.

Once again, best wishes to the Cross Cultural Internship Program and to everyone attending tonight's celebration. I am sure it will be a memorable occasion. I wish CCIP much continued success with their important endeavors.

Warmest regards.

Sincerely,
