#3 Permanent Residency Proof

This document refers to a government-issued document used to prove your Legal Permanent Residency (LPR). LPR country refers to the country or region where an individual is legally authorized to live and work on a permanent basis. In Singapore, it refers to the NRIC. The card should display an identification number that matches the information you entered under LPR #. Note that “residence” and “permanent residence” have distinct meanings. Here, we specifically ask for permanent residency.
