

#81 Proof of Business Registration

As per 22 CFR Part 62.22(g)(3), sponsors are required to conduct comprehensive screening of incoming hosts where exchange interns/trainees will be placed. This screening process involves obtaining essential information to verify the legitimacy of the hosting entity, supported by third-party verification.

Upload credible third-party proof (e.g., Form CP 575) that displays essential business information matching the details entered in the panel. This should include the business name, address, and EIN number. If the host is conducting business using an assumed or trade name, please also upload the Certificate of Assumed Name. If the file consists of multiple pages, combine all files into ONE PDF before uploading it.

For assistance, contact FUSIA at +1 718 643 0311 ext. 11 (office) or +1 917 244 2600 (WhatsApp chat).
